1) That the Parakal matt, which had once control over the Malkote Temples' affairs and lost it, is gradually trying to regain it by overtacts & other illicit means and to help in this object one Kabadi Seshachar, a disciple of the Matt has been introduced as a temple servant; and that he has been instrumental in tampering the Temple records in favour of the Matt.

2) That the honors due to the Matt when he visits Malkote have been definitely laid down in Royal Firmans & Govt. Proceedings that the honors shown in excess of the limits prescribed are based on the notes & reports made by the said Kabi Seshachar in the temple diaries.

3) Instances to the number of 4 or 5 where excess honors were shown to the Swami.

The 10 points in respect of which excess honors were alleged to have been shewn to the Swamy have been fully reported upon in the Dy: Comr's letter, point by point. It will be seen from the report that in all respects the temple Ayakattu & the previous mamool was followed in the main in the year 1920. The D.C. states that so far as the present complaint against any occurrences of 1920 is concerned, there does not seem to be any necessity to take any action now.

DIARY No. 142

25 9

Respected Sir,

The undersigned residents of Melkote most respectfully beg to bring the following for your kind and careful consideration and early favourable orders.

It is a well known fact that the temples at Melkote were established by no less a person than the revered Sri Ramanuja, the great propounder of the Sri Vaishnava faith and the affairs connected with the administration thereof were originally fixed by him. (Vide Divyaprabandham) over 800 years back. The temples have since been divested control and are now directly administered by Government. It is also known that the temples came under the control of the Sri Mysore Hindu Mutt during the last quarter of the last century and conceded on the many acts of maladministration on the part of the Mutt authorities and their insulting behaviour towards other devotees of the temple, the Mutt was after some years divested of all control over the temple affairs. Since then it has been the attempt of the Melkote Mutt to regain their lost position not by direct appeal to the authorities concerned but by overt acts and other indirect means slowly to gain one over step after another over other holders of rights and honors in the

temples. With this purpose in view the mutt has used its influence to have one Kadri Seshachar a desciple of the mutt, introduced as a servant of the temple in contravention of all previous usage. This Kadri Seshachar has been instrumental in temple matters with all records counter to the interests of the mutt and adulterating the rights of others and otherwise augmenting mutt interest. If such things are allowed to continue gross miscarriage of justice and grave troubles detrimental to the healthy growth of the institutions are sure to result. The appointment of Mr. Adhikarigar who belongs to the Madhva denomination as manager has increased the dangers.

2. As regards the honors due to the present ward when he visits temples, definite orders in the form of Royal Firmans from Government are in existence. But in practice owing to the traditions of some temple servants over the head of the said Seshachar honors in excess of the limits prescribed are accorded to the ward and these honors are added to with every fresh visit of the ward. The authority for such excess honors in the notes and reports made by the said Kadri Seshachar in the temple diaries more than the original firmans and orders of Government. Petitions submitted in this respect have proved of no avail as the local officers make every effort to keep up these malpractices when the ward is provided with the latest Royal Firman.

accorded to the Swami this time is given below.

1. Sadagopa is taken out of bounds fixed.

2. Using God's palanquin for carrying Saterinate a of the one prescribed.

3. Failure to pay charges payable for honours.

4. The birudus &c., of God were given to the Swami.

5. Swami was allowed to enter the inner precincts of the temple with full paraphernalia.

6. Swami was allowed to wash the hands both before and after bathing out of consecrated water from God's bowl.

7. Swami used full paraphernalia for himself while going in procession with God.

8. The Swami was allowed to desecrate sandal and water before God took bath.

9. Prasad was carried by temple servants (to Kolli hills) beyond limits prescribed by usage.

10. Arulal was given to [illegible] during Adhyayana Utsavam Thiruppavai contrary to usage.

3. The undersigned therefore respectfully prays that in the interest of justice.

Firstly the claims of persons in dispute for honours &c., in the temple be investigated into and they only such honours are shared as proper enjoyment, evidence or continued to the disputants and the grant of other honours by the temple servants be declared payable.

Secondly that the records of the temple be got examined to see if all of these have been or still maintained and that future be provided against [illegible] wherein, of records presented.

4. The undersigned [illegible] to produce evidence in support of the [illegible] and will be glad to be informed of the date of hearing for the settlement of the questions.

To

The Deputy Commissioner,

Mysore District,

M y s o r e.

Sir,

We, the undersigned, had complained before your honour against the undue non-mamool maryadas rendered to His Holiness the Sri Parakalaswamy, during his visit to Melkote. The same we understand was referred to the Deputy Amildar, French Rocks, for report, and the whole file we hope along with the written evidence argument submitted by us on the hearing dates 2nd & 6th September 1931, must have reached your honour by this time. And now we once more appeal to your honor to grant us a favourable personal hearing so that your honour may be convinced of the absurdity and non-genuineness of the records exhibited by the ~~xxxxxxxx~~ Sri Matt for the reasons stated below:-

I. The Sri Parakala Matt was instituted in the year 1811. The usual rights that were accorded to the Matt by His late Highness Krishna Raja Wodeyar III from 1811 to 1818 have been clearly withdrawn by His late Highness Himself in the year 1831.

II. Now after the decease of His late Highness, since 1868, the Sri Matt has been trying to usurp more maryadas and profit by means of false records of their own making.

III. The following is the list of records on which the Matt bases its claims for more maryadas and profit, than enjoyed by His Holiness the original Ahanturathara Parakalaswamy himself and attempting to put to dishonour the other nine numerical Mattadipathies and Acharya Purushas and other devotees.

(a) The Kshedari dated 20-5-1811.

This so called Firoopa does not resemble the other Firoopas granted by His late Highness in that, it is

in technicalities. It was a circular as stated by the Sri Matt why then the absence of Munshikatt and Pivastike which are the only marks of identification of Niroopas of those days. This appears to be only a firman issued so that His Holiness the original Parakalswami might be received with honour while he himself visited any place in person; but not a Niroopa conferring hereditary Marayadas and for conducting everyday Marayadas. There does not seem to be any trace of mention of the same in any of the Niroopas produced by the Sri Mutt. Hence the above is clearly a Rahodary only. The same fact is also proved by the decision in the case of Sri Kirthinarayana Temple, Talkad, by His late Highness.

(b) The Niroopa dated 26-7-1830.

It has been stated in this Niroopa that owing to the indifferent treatment of a former Niroopa, His late Highness to whose notice the same was brought, sent this second Niroopa with a detailed list of Marayadas to the Temple at Melkote duly signed and sealed. But the very existence of this list has never been known by any body (since the same has not found any entry in the temple records). If what the Mutt says be a fact the original of the patti may be kindly produced.

(c) The Niroopa of 30-8-1830

Within a period of 35 days after the grant of the Niroopa dealt with above, they produce the copy of a second Niroopa dated 30-8-1830, the original of which is no where to be found. If the complainants are kindly accorded an opportunity of personally explaining every detail from beginning to end in this so called Niroopa, your Honour will be quite convinced of the seathin absurdity in it proving its non-genuineness. Hence this was never granted by His late

Highness, but a creation of the mutt to gain its own ends.

(d) The Temple Ayakattu patti dated 10-7-1851.

This so-called record has been signed by an imaginary officer whose very existence itself is doubtful. There is no mention of either the name or the signature of the officer by whose authority and order the same found a place among the temple records.

(e) The second Ayakattu Patti 1-7-1852

Is also formed on the same basis. There is no trace of either the seal or the signature of any officer. These last two records (so called by the mutt) are quite opposed to the Ayakattu patti in vogue in other temples and also to that issued duly signed and sealed by the Chief Commissioner. These two seems to have been newly created and introduced into the temple records just with the object of furthering the mutt's interests by some intriguing underhand dealer. Inspite of these defects there is wide difference between those Ayakattu patties and the so called Miroopa of 20-8-1880.

IV. Thus the mutt is indulging itself in useless strife assuming a dictatorial attitude by the mere fact of the Sri Swami being the Rajaguru and has caused the Deputy Aildar, French Rocks to send a copy of the so called Miroopa of 1830 and to issue at his own instance an order to freshly include the same in the Temple records and in order to carry out the maryadas mentioned in the same.

If your honour would accord the undersigned an opportunity of a personal hearing and discussion the fact that (the parkalamat is entitled to no more maryadas than is due to any other mutt in general) would be made clear to your honour.

We further request that, since the order of the Deputy Aildar would be sure to create a religious scuffle, the same

copy may be kindly sent for and scrutinized item by item before being caused to be merged in the records of the temple.

We beg to remain,

Honoured Sir,

Your most obedient and humble servants,

Mysore,

ಸಂಖ್ಯೆ: ಶ್ರೀಶೈಲಸಭಾಪತಿಗಳು ಮಂಚಲದೊಡ್ಡಿಗೆ ಬಂದಿರುವ ಸಮಾಚಾರವನ್ನು ಕೇಳಿ ಮಂಚಲದೊಡ್ಡಿಯವರು ಸಹಸ್ರಾರು ಜನರೊಡಗೂಡಿ ಬಹಳ ಸಂಭ್ರಮದಿಂದ ಎದುರುಗೊಂಡು ಕರೆತಂದು ಸಭಾಮಂಟಪದಲ್ಲಿ ಕುಳ್ಳಿರಿಸಿ ಪೂಜಾಸತ್ಕಾರಗಳನ್ನು ಮಾಡಿ ಅವರ ಪಾದಕ್ಕೆ ಸಾಷ್ಟಾಂಗ ನಮಸ್ಕಾರ ಮಾಡಿ ಕೈಮುಗಿದು ನಿಂತುಕೊಂಡರು.

ಆ ಶ್ರೀಶೈಲಸಭಾಪತಿಗಳು ಮಂಚಲದೊಡ್ಡಿಯವರಿಗೆ ಹೀಗೆ ಹೇಳಿದರು: ನಾವು ಕಾಶಿಯಿಂದ ಶ್ರೀಶೈಲಕ್ಕೆ ಹೋಗುವಾಗ ಮಾರ್ಗಮಧ್ಯದಲ್ಲಿ ಹಲವು ಕಡೆಗಳಲ್ಲಿ ಕೆಲವು ದಿವಸಗಳು ತಂಗಿದ್ದೆವು. ಆಗ ಅಲ್ಲಲ್ಲಿ ಅನೇಕ ಜನರು ಬಂದು ನಮ್ಮನ್ನು ಭೇಟಿಮಾಡಿ ಸತ್ಕರಿಸಿದರು. ಅವರಲ್ಲಿ ಕೆಲವರು ಮಾತ್ರ ನಮ್ಮ ಹಿಂದೆ ಬಂದು ಶ್ರೀಶೈಲದಲ್ಲಿ ಸೇರಿಕೊಂಡರು. ಉಳಿದವರು ಅಲ್ಲಲ್ಲಿಯೇ ಇದ್ದು ಬಿಟ್ಟರು. ಆದರೆ ಅವರೆಲ್ಲರೂ ನಮ್ಮ ಶಿಷ್ಯರೇ ಆಗಿದ್ದಾರೆ. ಅವರಲ್ಲಿ ಕೆಲವರು ಈಗ ಇಲ್ಲಿಗೆ ಬಂದಿದ್ದಾರೆ. ಅವರಿಗೆ ಸಂಭ್ರಮದಿಂದ ಸತ್ಕಾರ ಮಾಡಿರಿ. ಅವರಲ್ಲಿ ಕೆಲವರು ಇಲ್ಲಿಯೇ ಇರುವರು. ಕೆಲವರು ಹೊರಟುಹೋಗುವರು. ಅವರಿಗೆ ಅನುಕೂಲವಾದ ಏರ್ಪಾಡುಗಳನ್ನು

ಹಾಳು ಮಾಡಿರುವ ಬಗ್ಗೆ ಸಾಕ್ಷಿಗಳನ್ನು ಮತ್ತು ಪಂಚನಾಮೆಯನ್ನು

ಮಾಡಿಸಿಕೊಂಡು ಬಂದು ಅರ್ಜಿಯನ್ನು ಸಲ್ಲಿಸಿದರೆ ಅಂಥ

ಬೆಳೆಗಳಿಗೆ ಪರಿಹಾರವನ್ನು ಕೊಡಲಾಗುವುದು. ಆದರೆ ಈ

ಪರಿಹಾರವನ್ನು ಕೊಡುವ ಮೊದಲು ಅರ್ಜಿದಾರರು

ಕೊಟ್ಟಿರುವ ಅರ್ಜಿಯಲ್ಲಿ ಹೇಳಿರುವ ಅಂಶಗಳು ಸರಿಯಾಗಿವೆ

ಎಂಬುದನ್ನು ಸರ್ಕಾರವು ಪರಿಶೀಲಿಸಿ ನೋಡಲಾಗುವುದು.

ಈ ಪರಿಹಾರವನ್ನು ಕೊಡಲು ಸರ್ಕಾರವು ಒಂದು ಎಕರೆಗೆ ೫೦ -೫೦ ರ

octangular seal std a.s.

12.11.1919

(7)

From the Commissioner for Hindu Religious and Charitable Endowments.

To the Secretary to Government, Public (Law and Religious) Department.

Sir,

I have the honour to forward herewith the petition of the Mahant of the Yethiraja Mutt in Madras praying that the octangular seal of the Mutt may be returned to him. The seal was attached by the Police in connection with the case against the Mahant for the murder of Sri Ramanuja Jeer. The Mahant has been acquitted by the Sessions Court and the case is now pending in the High Court on appeal. The Mahant has represented that the seal is required for the purpose of the Mutt and that its detention is causing inconvenience to the Mutt. I am of opinion that the seal may be returned to the Mahant on his executing a bond for Rs. 1,000 with two sureties for the like amount binding himself to produce the seal when required by the Court. I have the honour to be, Sir, Your most obedient servant,

Commissioner for Hindu Religious and Charitable Endowments.

Major Pearse
Superintendent of Ashtagram
In charge of Palace duties

Sir,

I have to enclose for your information an original Urzee received from Srinivasaraja Shanbhogar in the name of my Gooroo Sivaratha Swami, from which it would appear that while my Gooroo was performing the Viramudi procession, round the street at Nelmoke on the 2nd. he having heard that Ethala Iramanuja Jeer, a Sanyasi of Vaishnava religion was approaching the procession of the Deity, with an unusual privilege of holding two white umbrellas, sent word thereby stating that it is improper on his part to assume the privilege of using the white umbrellas to which he is not entitled. Upon this the followers & Servants of Vaishnava Brahmans and others collected themselves and shewn great disrespect to my Gooroo by making an assault upon his person whilst returning.

I have however to observe that it is not the usage for [illegible] to assume or presume to assume such privileges as of holding white umbrellas

to by him
myself or by any of my agents
this circumstance and also as it is a matter of
great regret to me that my goods should
be treated so disrespectfully - I request that
you will be pleased so to institute a thorough
enquiry into the case and take some steps
to prevent the similar occurrence in future
by bringing the culprits under such punish
ments as they deserve.

It is also a matter of surprise that the
Amildar and other functionaries of the place,
who are by duty bound to be present at the
spot on such occasions and to see every
thing conducted according to the rules laid
down by the government, were careless and
absent at the time.

I am to
request Sir &c.

The undersigned residents of [illegible] respectfully [illegible] and a petition [illegible] of [illegible].

It is [illegible] that [illegible] the [illegible] the [illegible] of the [illegible] of [illegible] [illegible] [illegible]

temples. With this purpose in view the mutt has used its influence to have one Kadri Seshachar a desciple of the mutt, introduced as a servant of the temple in contravention of all previous usage. This Kadri Seshachar has been instrumental in tampering with all records connected to the interests of the mutt and stultifying the rights of others and otherwise augmenting mutt interest. If such things are allowed to continue gross miscarriage of justice and grave troubles detrimental to the healthy growth of the institutions are sure to result. The appointment of Mr. Ananthaiengar who belongs to the same Vadagalai denomination as Seshachar has increased the danger.

2. As regards the honors due to the utsava Swami when he visits Kshetra, definite orders exist in the form of Royal Firmans and Government Proceedings exist. But in practice owing to the connivance of some temple servants and the lethargy of the said Seshachar honors in excess of the limits prescribed are recorded in the Swami and these honors are added to with every fresh visit of the Swami. The authority for such excess honors are the notes and records made by the said Kodi Seshachar in the temple diaries more than the original proceedings orders of Government. Petitions submitted in this respect have proved of no avail and neither did the local officers make any effort to prevent such malpractices when the Parthasarathi Swami visited Kshetra on the last Vairamudi day. A list of the excess honors

accorded to the Swami this time is given below.

1. Rad Gopa is taken out of bonus fixed.

2. Vaidya Lodi's pad replaced [illegible] bill amount of the one presented.

In this connection, I beg to state that in the absence of "A Specific and

to be shown on occasion of visits, the Sd. rooms depend entirely sections in the 'Sh. Diaries' which are, in the majority of cases written by unscrupulous officials.

It often happens that the writings of these people are taken as authority on the conditions and in the majority of cases, from the diaries shown to the Sh. Diaries' are recorded or alleged to be made by the writers and favourable of the Peshawar Chief Engineer, for the time being, happen to be in charge of the Temple affairs as may be observed from the fact that certain statements shown to H. H. the Municipal Commissioner, Peshawar on 6-4-20 have disappeared from the Peshawar printed Urdu of the Temple Records).

On the whole it is ascertained that records known are unprecedented and detailed such as the Sanskrit Pothi (purported to have been written in 1852 - the year mentioned), For this reason, I beg to submit that a "specific and authentic List of Honours" referred to be recorded in the Temple Records - which would serve as a guide to the Temple Pershan and any discrepancies from that might be checked and violations noted.

C 1805 of 22-3 Office of the Muzrai Commissioner in Mysore.

Noted one file

Dated Bangalore, 6th January 1926.

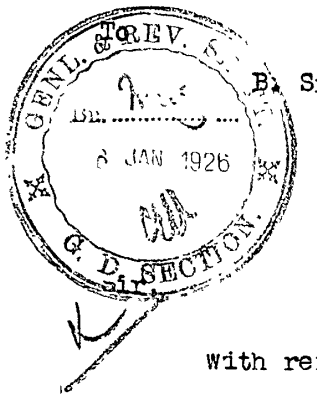
From

C. S. Balasundaram Iyer, Esq., B.A.,

Muzrai Commissioner in Mysore,

Bangalore.

Mus. Dis. 121
D. 36-20-7



To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

With reference to correspondence ending with your letter No. 890/M.F.36-20-7 dated 8th January 1924 in the matter of the excess honors alleged to have been shown to the Sri Parakala Swamigalu --- during the Vairamudi utsavam of 1920, I have the honor to forward herewith copies of letter Nos. D_1 Dis.50/23-24 dated 6th November 1923 and D_1 Dis.128/24-25 dated 28th April 1924 from the Deputy Commissioner, Mysore District submitting a detailed report after --- giving sufficient opportunities to the matha to have their say in the matter and to produce their references.

2. The letter of 28th April 1924 goes into the complaint of the Tengalais Seriatum and the finding by the Deputy Commissioner on -- each point is recorded also. I agree with these findings and think that as opined by Mr. B. Ramaswamaiya, the previous Deputy Commissioner, there does not seem to be any necessity to take any action at this distance of time.

3. The file of vernacular papers is enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

C S Balasundaram

Muzrai Commissioner.

KSR.

Letter No.D_1 Dis. 128/24-25 dated 27/28th April 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.1805/22-23 dated 18/19th January 1924, requesting me to complete the enquiry by securing the presence of the Parakala Matt Agent and getting references, if any ~~ff~~ from him, in support of the claim of the for the honors in question which are contended to be in exces ose allowed by -- Temple Daklas and previous practice, I have the honor to state that opportunities were given to the matt to have their say in the matter and to produce daklas or references they might have in respect of their claim to the honors in question which were objected to by -- certain Tengalai residents of Melkote.

A Yadi filed by Matt on 23-12-1924 representing their case in the matter together with a list of copies and extracts of documents filed in support of the statements made in the above yadi are ---- enclosed to the file.

After a careful study of the entire records, I am inclined to state as follows in respect of each item of objection raised in the petitions of the Tengalai residents of Melkote.

The contentions that Nirups etc., are not genuine is not -- proved.

Complaint (1) is groundless.

Complaint (2) has no substance. No irregularity is proved.

Complaint (3) Nirup of 20-6-1880 remits Rs. fees from Swami.

Complaint (4) Astnakapal Mariyada includes taking the Temple Birudus. This complaint is therefore ---- groundless.

Complaints (5&7) The copies of Mr. Chidambara Iyer's letters of 1887 and the correspondence of 1892 with the late Muzrai Superintendent and Secretary clearly show by amalogy that the Swami was entitled to do what he did.

Complaint (6) That this was done is contested by the Matt. The Matt does not claim that the Swami can wash his hands with Thirtha. The Swami washes with separate water. The allegation is not proved.

Complaint (8) That this was done is contested by the Matt. The Parakalaswami has to bathe after the Deity is bathed as the idea is that all devotees (the Parakalaswami is one such) bathe in the water made holy by the bathing of the deity. The allegation is not proved.

Complaint (9) I see no basis ø for the claim of the Matt that Prasada was rightly taken to Bellale Mantapa when the Swami was on his way to Melkote.

The parallel re taking prasada to Mysore for Chaturmasya does not hold good as claimed by the Matt. Prasada is taken to the Head ---

Head-Quarters of Ruling Princes and Heads of Matts certain specified occasions, and it does not appe correct to argue that this practice would authorise personages to call for prasada being brought to their cam or Head Quarters on other occasions. Though I do not -- accept the General reasoning there are precedents for prasada having been taken to Bellare Chattram for the - Parakalaswami. This may be formally recognised and --- authorised as the outermost limit for such occasions.

Objection. (10) The allegation is not proved. The Matt however claims that wherever the Swami meets the procession of the Deity, he is entitled to receive double ~~Maxak~~ Malai. This is borne out by the Nirup of 1830.

The entire records relating to the subject accompany."

KSR.

Letter No.D1 Dis.60/23-24 dated 8th November 1923 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"Adverting to the Muzrai Secretary's letter No.488/muz.36-20-2 dated 6th August 1920 and subsequent reminders thereto calling for a detailed report on the petition of certain residents of Melkote re excess honors said to have been shown to Sri Parakalaswamy during the Vairamudi Utsavam of 1920, I have the honor to state as follows:-

2. A similar petition was also received in this office in July 1920 and it was sent to the late Muzrai Superintendent on 6th August 1920. Subsequently, the petition under reference from the Muzrai Secretary's Office, was received in this office for report. This was referred to the Sub Division Officer, and by him to the Amildar, in the usual course, to hold a searching enquiry into the several allegations contained in the said petition and to submit a detailed report (Flag A)

3. The allegations made in the petition refer chiefly to certain honors said to have been accorded to the Sri Parakalaswamigalu --- during his visit to Melkote in 1920, in excess of the limits prescribed by Government. A list of such alleged excess honors, as furnished in the petition, is given below:--

(i) Sadagopa is taken out of bounds fixed.
(ii) Using God's palanquin for carrying Satari instead of the one prescribed.
(iii) Failure to pay cash fee payable for honors.
(iv) The birudus etc., of God were given to the Swamy.
(v) Swamy was allowed to enter the inner precincts of the temple with full paraphernalia.
(vi) Swamy was allowed to wash his hands both before and after -- Thirtha, out of consecrated water from God's bowl.
(vii) Swamy used full paraphernalia for himself while going in -- procession with God.
(viii) Swamy was allowed to desecrate Kalyani water before God took bath.
(ix) Prasad was carried by temple servants (to Bellalay) beyond limits prescribed by usage.
(x) Malai was given to Swamy on Vairamudi reaching Flower Chappara contrary to usage.

4. The late Deputy Amildar of French Rocks Sub Taluk after calling for certain information from the Temple Peshkar, first submitted a report (No.159 dated 28th January 1921) with his findings on the --- several objections raised by the Petitioners Appramiengar and others (Flag B). The replies given serially by the Deputy Amildar to the above 10 items of objections referred to above are as follows:--

(i) That there are no records to show the limit fixed for taking sadagopa maryada during such visits of the Swamigalu, that it is not also clear from the petition up to what boundary the said mariyada was taken dur ing the year in question.

That in the Ayakat Patti of 1852, it is mentioned that mariyada should be shown to the Swamigalu near Chikkayyanakola that this statement is confirmed by a reference to the Temple Amal Diary of 1840.

That when the Swamigalu arrived by road, the boundary limit this honor is fixed to Paravate mantap as may be seen from an extract of Temple Sha Amal Diary 1853.

and that in these circumstances, it is not clear from the reco whether this particular item of honor was taken beyond limits.

By reference to the Temple Shah Amal Diary extract of 28th --- march 1920 (Sunday) it is seen, that this honor was taken to Parvat Mantap.

(ii) As regards the second objection, the Deputy Amildar reports that the particulars of the palanquin to be used for --- carrying carrying Satari is not given any of the Sha Diaries. Nor are particulars of the palanquin used in this instance, given in the Sha diary of 1920.

(iii) Re objection No.(iii) it is reported that the rules regulated under the Ayakatpatti, do not require the levy of any such fees for temple honors to be shown to the Swamigalu and that even in cases of payment, if any, made of fees, no mention is made of it in the Sha -- diaries.

(iv) With regard to item No.(iv) of the objections, it is said to have been mentioned in the Temple Ayakatpatty that all the temple --- servants should meet the Swamigalu with the music and Isthakapal -- mariyadas and that no distiction of "Biradu" and "Vadya" is made --- therein; that this is supported by reference to the Shah Diary of 1853 and that in the Shah diaries of recent years, the details of these are mentioned etc , During the year under reference the --- Peshkar, Deputy Amildar, Sub Division Officer and Superintendent of Police, accompanied by the Temple servants, and the local merchants, met the Swamigalu on arrival near Parvate Mantap as stated above, with the due Isthakapal and other temple honors and then after presenting the necessary honorsto the Swamigalu, His Holiness was conducted in -- procession to the temple with the following birudavalies:--

The palanquin in which the Sri Satagopa was kept-Chamara, Naduchapra, Belli Deevatige, Jagate, Bhaja Bhajantri, Umbrellas Surepans, Pancha Deevatige, Ahalekars, Adyapakas and reciters of Veda-parayana. (vide Shah Diary of 28th March 1920.)

(v) Referring to the 5th objection, the Amildar reports that the usage of the full paraphernalia by the Swamigalu in the inner precincts of the temple, is not defined anywhere in the Ayakatpatty but that it is in practice according to the entries made in the Shah Amal Diaries

'ous years. It is also reported that when the Sri Parakalaswamy d the inner precints during his visit to the Temple in 1890 and - 15, the matt Dwarapalakas were at the door of Shukanasi with silver ds in their hands and that the other paraphernalias were left in the Navaranga". The same procedure was adopted this year also, as may be een from the Shah Diary 1920)

(vi) ~~Objection~~ Objection. No.6- with reference to this, it is reported that no eference is forthcoming to prove that the Swamigalu was allowed to ash his hands both ~~x~~ before and after Thirtha, out of consecrated ater from God's Bowl. No mention of these details is made in the hah Amal Diary.

vii) As for objection No.7. the Amildar thinks that the persons -- onveying the paraphernalia, might have, during the course of procession sometimes got into disorder and confusion, as it often occurs, on ~~such~~ such occasions and inadvertantly carried some of the Paraphernalias, sometimes before Diety, and sometimes before the Swamy and that no motive could be attributed to this.

In the Shah Diary Extract of 29th March 1920, it is stated that the Swamigalu went in procession with the Deity with all the Paraphernalia

(viii) Objection No.8 It is reported that there are no reference to prove that the Swamigalu took bath in the Kalyani pond before a bath to the God. No mention is made of this in the Shah Diary.

(ix) The temple prasadam is said to have been delivered to the Swamigalu in Bellale as per previous practice on precedents.

(x) In the end, the Amildar reported with reference to the last objectic that no references were forthcoming in the Shah Diary to prove the ---- allegation.

5. With these findings, mostly based on the Shah Amal Diaries, the Deputy Amildar's report was received through the Sub Division Officer, in march 1921, These records were returned to the Sub Division Officer with instructions to direct the Deputy Amildar to examine the petirioners, or some of them at least, who had stated in their petiton that they were read to furnish evidence in support of their statements. Further, the Matt Agent was also directed to be examined as to what he had to say in this matter. The Deputy ~~Amildar~~ Amildar was able to secure, for enquiry, the presence of only three* of the chief signatories to the petition names in the margin. They appared before the Deputy Amildar on 2nd September 1921

* 1. Appramiengar
2. Asoon Narasimhaiengar
3. Ramkaryam Timmachar

and

an d produced certain daklas to prove the excess honors al have been accorded to the Matt and the non-genuine character of documents relied upon by the Matt for such honors. They also filed a written statement to the above effect (Vide Flags C to It is reported that the Matt Agent failed to appear before the Deputy Amildar with necessary references in support of the Matt's claim to the honors though the former had been writtent.o ~~w~~ twice. The daklas produced by the petitioners are unauthentic and do not disclose any details or limit of honors to be accorded to the --- Swamigalu. Their only contention is that the Matt authorities are enjoying excess honors without any express orders. The Deputy -- Amildar reports that some items of honors accorded to the Swamigalu during recent years, have not been uniformly the same as they were in previous years, but there have been some slight deviations and excesses in some cases and that the present Peshkar was unable to produce authority or data for these variations.

6. Often, the entries made in the Shah Amal Diaries, are depended upon for purposes of procedure in such occasions. These diaries are not obviously authoritative records for the guidance of local - officers, written as they are by irresponsible officials according to the viewsof the Peshkars for the time being in charge of the Temple affairs. They are unsupported by any sannads or other --- standing orders of Government. The absence of specific and --- authoritative list of honors to be shown to the various Matts when the Swamigalu visit the temple, is reported to have been the cause of frequent complaints and endless troubles to the local --- officers.

7. With a view to overcome the above difficulties and all such objections coming up in future, the local officers strongly urge in the interest of Muzrai Administration, the absolute ~~nec~~ necessary of having a prescribed list of honors to be shown to the various matts during such visits and on other occasions and I agree with them. Government may kindly be moved in the matter of approved. The matter is of sufficient importance to constitute a committee composed of a suitable officer of Government and two or three representative pandits to exmine the documents and decide on the question of these honors, which may be enforced after sanction by Government. This will settle the matter for the future, So far as the present --- complaint against any occurrences of 1920 is cancerned, there does

seem to be any xxxxxxxxx necessity to take any action now.

8. The petition under reference, together with the file of --- connected vernacular records of enquiry, is submitted herewith for xxxx reference."
